Alyssa Lotmore @alyssalotmore
Q1: The ACA was a first step for individuals having more affordable access to health care. Even so, there are still barriers. What are the barriers to ACCESS health care? (i.e. insurance does not = care). #MacroSW

UB-Social Work @ubssw
@PraxisPod Hi Zane - how are things in Kansas? #macroSW

Rachel L. West @polisw
@PASWHA @AlyssaLotmore Welcome to the chat Dan. #MacroSW

Chaquetta @ms_quettap
Hi this is my second time on the chat. #JCSUMSW #MacroSW

#MacroSW Moderator @officialmacrosw
@UBSSW @spcummings Yes, with a health care theme in mind #MacroSW https://t.co/X7No1e2qkQ

Susan Bhuiyan @direwolfb
Q1: Some of the barriers can be transportation and accessibility to health care. #macrosw

UB-Social Work @ubssw
RT @OfficialMacroSW: @UBSSW @spcummings Yes, with a health care theme in mind #MacroSW https://t.co/X7No1e2qkQ

Igby @igbydrood
A1: Transportation. Not being able to get to a PCP can be a barrier, especially if an ambulance “solves” your transportation issue to get to a Dr/ER. #macrosw

michelle becker @michell85883920
A1: signing up for the ACA is a barrier, and being able to afford the insurance. it is not cheap for low income #macrosw

Nick @nick_molina
#MacroSW https://t.co/uUfzkY7EL2

**Social Worker @erl_sw**
Q1: Barriers include plans that are still unaffordable for some with high copays and deductibles, it can also be an overwhelming process I would imagine especially for someone living in poverty with lack of resources to begin with in order to navigate through #macrosw

**Jessica Brown @nariah**
A1: Time off of work and predictable schedules. Recertification processes and monthly fees (which require funds but also access to credit or checks). #macrosw

**Amanda Harlacher @amharlacher**
A1: I found this to be a helpful summary of some of the barriers. #macrosw https://t.co/byIODx6ZhV

**michelle becker @michell85883920**
@Shand_Kydd i am so glad you mentioned all of these! because they are all barriers, especially acceptability #macrosw

**Rebecca Mt. Pleasant @rebeccaleemtp**
Q1, transportation! especially in rural areas... #macrosw

**Passionatefreedomfighter @chelsea66732810**
A1: I'm thinking lack of psychiatrists or bed availability #macrosw

**Christine Wagner @christi25672031**
@OfficialMacroSW Hello My name is @Christi25672031 from Wichita State #MacroSW

**Meg @mhennigan17**
A1: Barriers Americans still face in accessing healthcare include accommodation (office hours don’t work with schedules), availability (long wait time to get appts), & accessibility (geographic location / lack of transportation). #MacroSW

**Alyssa Lotmore @alyssalotmore**
Access to care goes beyond having insurance coverage. We must think about geographic availability and connecting individuals with health care provides whom the patient trusts and can communicate with. #MacroSW
Igby @igbydrood
A1: Just as there are food deserts, there are healthcare deserts. In our city there is a lack of PCPs who are willing to take on patients within walking distance of the residential areas, so people utilize the ER because it’s walkable. #macrosw

Elana Rapoport @emrapopo_sw
A1: some barriers could be affordability and lack of access to transportation #macrosw

Mary @mareebearx
@AlyssaLotmore Social determents of health! I've been advocating at my hospital for more social workers to fill the role of connecting pts to services and go beyond discharge/intake planning #MacroSW

#MacroSW Moderator @officialmacrosw
Q1 is live! #MacroSW https://t.co/0madZ9O0CE

tryn amber @ambertryn
A1: the process to get it is difficult to understand and hard to navigate. I have many very well educated social workers in my program that say it is a nightmare to help people obtain this #MacroSW

H. ONeill @honeill15
Transportation is a huge barrier to low income individuals that would benefit from ACA #macrosw

Carlos Ortiz @carlosodj
Excuse the extra tweets. #MacroSW is on tonight. https://t.co/OJ2KZC4kgG

Kim Wright @kimmsw2018
A1: Co-pays sometimes make it near impossible for people to receive treatment - a lot are barely getting by as it is #macrosw

Jessica Brown @nariah
A1: Copays and deductibles for many insurance plans make them inaccessible. I frequently hear about employer sponsored plans that meet ACA but have multiple thousands of dollar deductibles (including the one offered by my private non-profit). #MacroSW
David McCollum @villebananas
A1: The disjointed nature of financing public behavioral health care, including community health centers, has been a substantial cause and barrier to providing adequate behavioral health care services (e.g., community health centers needing to blend revenue from... #MacroSW

Erika Vertigan @verty1215
Q1: Transportation, values and ideas about healthcare and medical care in general in ones culture, and of course the barriers already within the insurance system like premiums, networks, and referrals. #macrosw

Chaquetta @ms_quettap
@AlyssaLotmore Transportation seems to be the number one issues for clients I've had the opportunity to work with. #JCSUMSW #MACROSW

UB-Social Work @ubssw
@PASWHA @AlyssaLotmore Wonderful - Great work. Thanks for joining us Dan- #MacroSW

Cary Sanchez @csanchezbsw

Shelby Frusetta @shelby_frusetta
Insurance can still be a major barrier to healthcare. Affordability is a huge barrier, also transportation and accessibility of healthcare locations. #MacroSW

Krystal Washburn @kalw722
@OfficialMacroSW As advocates for our clients this is great topic to keep up to date on. A timely topic as healthcare continues to change #MacroSW

Carrie Corrao @cacorrao
A1: Language barriers and access to professionals that understand a client's culture and practices is a major barrier. #macrow

Elizabeth D'Ambrosio @reallizzied
@OfficialMacroSW Hi everyone! I'm Elizabeth, sorry I'm late. I'm from University of Detroit Mercy #MacroSW #SWK3100

#MacroSW Moderator @officialmacrosw
@Ms_QuettaP Great to have you back, Chaquetta! #MacroSW

Alex Ridley @alexridsw
Q1: The one barrier that I'll never understand is why there has to be a time frame on it. It should be available 365 days a year for ANYONE who may need it. #macrosw

Giuseppina La Mattina @gjuseppinalama3
@AlyssaLotmore I think a barrier includes the copays and deductibles. This is even a barriers for those who can "afford" healthcare. #MacroSW

Loren Waltz @loren_waltz
1) Rural areas often lack a sufficient amount of health care facilities, and poor public transportation can have an impact if the facility is far away #MacroSW

Adrienne @wirthadrienne
Affordability, transportation, accessibility especially rural areas, waitlists, whether or not a provider accepts a patient's insurance #macrosw
Susan Bhuiyan @direwolfb
Here in downstate NY there are so many languages spoken and there may not be translators available to people seeking healthcare #macrosw

ён мizz_pinklezz🔥 @mizzpicklezz
@AlyssaLotmore Individuals living in rural communities can have transportation challenges. Transportation can also be an issue for individuals who live in a city with an inconsistent metro service #macrosw

Jessica Brown @nariah
A1: Without health insurance many practitioners, including community based mental health, will not accept new patients. #MacroSW

Abbie Burd @tweetingburd
A1: I think the biggest part about insurance right now for my clients is that insurance does not fully cover rehab. It could be possible they only can go half the time they need because insurance won't pay the rest #macrosw

UB-Social Work @ubssw
@carlosodj Hey wonderful to see you again, Carlos! #MacroSW https://t.co/zd5Xt9oPrn

Rebecca Light @rl004
@AlyssaLotmore A1: employers are cutting hours so that they are not required to offer that employee insurance, or make the plans so unaffordable that they cannot afford them. #macroSW

UAlbany Navigators @ualbanynavs
Even with insurance, in practice we have found that those who have routinely used crisis management for health care, do not know how to do basic things like make a drs appointment or refill a prescription. #MacroSW

Johanna Black @johannajblack1
@AlexRidSW you're exactly right. I hate the idea of "open enrollment". it makes 0 sense. good point! #macrosw

Giuseppina La Mattina @giuseppinalama3
@mizzpicklezz @AlyssaLotmore You're absolutely correct! I think that's a big barrier! #MacroSW
Kim Wright @kimmsw2018
@cacorrao This is so relevant is my work right now. Working with an Amish family who is refusing their child surgery who needs it #macrosw

Jiknowles @jiknowles1
A1: I live in work in a rural area of upstate NY. When I encounter clients without healthcare it’s usually due to lack of knowledge about acquiring healthcare, childcare to attend appointments to set it up, and transportation to the appointment itself. #MacroSW

Elana Rapoport @emrapopo_sw
@cacorrao language barriers can definitely be a big problem! especially if there are no translators or bilingual staff #macrosw
