**#MacroSW Moderator** @OfficialMacroSW

We will start our #MacroSW chat about Aging in the 21st Century in 15 minutes! <https://t.co/747Vam4x57>

a

**#MacroSW Moderator** @OfficialMacroSW

@karengoda You'll be missed but self-care is too important! Please take care...thoughts are with you. #MacroSW <https://t.co/3wj5v14qEp>

a

**Jo Miller, GPC** @jm\_grants

RT @newsocialworker: @stuckonsw mentioned #MacroSW & #GrantChat Twitter chats as resources for nonprofits #NSWM28 @OfficialMacr

a

**Lonnetta Wilson** @lwfuturbsw

Hey y'all 🙌 @TarletonSOCW student and FIERCE HIV advocate from Texas. Happy to be here! #MacroSW @DrNJonesTSU

a

**Jenna Bacolor** @A2RecDirect

Hi #MacroSW, this is Jenna, MSW/MPH, school administrator in Michigan reporting in from NYC. Attending #NSWM28 this week! #SocialWorkersLead

a

**Vilissa Thompson** @VilissaThompson

A1: I was raised by my Grandma, so aging looked normal. Older folks were spry, enjoyed being retired, & valued friends & memories. #Macro: <https://t.co/qqDH1o6XHq>

a

**Vilissa Thompson** @VilissaThompson

A2a: Watching my Grandma & other elders get older made me see how many fight to keep their independence & fear being forgotten. #Macro: <https://t.co/IEHiyM7pnY>

a

**#MacroSW Moderator** @OfficialMacroSW

Q4: What does aging look like to you in the 21st Century? #macrosw

a

**Vilissa Thompson** @VilissaThompson

I've found that to be common for those of us with chronic conditions. As my Grandma would say, the body is weak/tired. #MacroSW <https://t.co/GcC5MT48IT>

a

**UB-Social Work** @UBSSW

A4 More live into 90s;medical advances, #technology extend life; #Hospice and #medicallyassisteddeath will grow exponentially #macroSW

a

**Alyssa Lotmore** @AlyssaLotmore

Our policies & culture tend to penalize us as we age, instead of embracing this population. Culture shift needed. #macrosw

a

**#MacroSW Moderator** @OfficialMacroSW

a

Question 5 is coming up in one minute! #macrosw

**#MacroSW Moderator** @OfficialMacroSW

This is a great transition to the Q5! (coming up in 30 seconds) #MacroSW <https://t.co/wb17gUN38p>

**Vilissa Thompson** @VilissaThompson

A4: Taking care of one's parents & worrying about their own health. Many Boomers aren't as carefree as they thought they'd be. #MacroSW <https://t.co/yS6M5IX1re>

**UB-Social Work** @UBSSW

RT @VilissaThompson: A4: Taking care of one's parents & worrying about their own health. Many Boomers aren't as carefree as they thought

**Kristina Allinder** @k\_allindertsu

A4: It looks much different now then when I was younger. Much more technology, early detection tests, and ways to help people age HEALTH <https://t.co/EjLykms24P>

**Jenna Bacolor** @A2RecDirect

There's more recent health research on isolation & loneliness leading to "diseases of despair." Relationships are so important. #MacroSW <https://t.co/XFAR3VB4Tr>

**Dr.N.Jones** @DrNJonesTSU

Did you know that there are different phases of aging: Young-old (65-74), Middle-old (75-84) & old-old (85+) #MacroSW

**#MacroSW Moderator** @OfficialMacroSW

Q5: How has technology impacted the aging population currently, like social media? #macrosw

**UB-Social Work** @UBSSW

RT @DrNJonesTSU: Did you know that there are different phases of aging: Young-old (65-74), Middle-old (75-84) & old-old (85+) #MacroSW
