@mizzpicklezz @montrobia I'm hopeful that given what is going on in the US it will renew interest in #MacroSW practice. But Macro practice has been in trouble for a while in the US.

@mizz_picklezz @mizzpicklezz @montrobia @Justin_Vest @poliSW And also because the US government is sanctioning the inhumane abuse of children. If a parent did what the US government is doing to their child…a CPS case would be opened. The child would removed from the home. #MacroSW
