Olyvia @olyviawithaY
I think a big part of reproductive justice is also understanding that what some people do with their bodies in regards to reproduction doesn’t always have to be okay with everyone else. It’s a personal thing that has to do with PERSONAL decisions. #MacroSW

UB-Social Work @UBSSW
Q3: How are environmental justice and reproductive justice related? #macroSW

Kathy Lisborg, LMSW @vileloveit644
Pretty basic.
Meschelle Linjean @MeschLinjean
A3 Women/children face more health effects/social impacts from envr hazards due to physiology, women’s roles as caretakers of children/home, risks of bodily harm/child separation when defending homes/displacement due to envr destruction. Quote at https://t.co/8m7B9bAeFw #MacroSW
https://t.co/Bg2NblamyV

Jamie Nixon @JamieNi12660063
@UBSSW RJ & EJ are related because without one you won’t have the other. In order to maintain bodily autonomy there needs to be access to healthy and safe living. This includes the reduction of pollutants and the increase of reproductive health care

Jessica Mencia @JessicaMencia2
A3 Environmental justice and reproductive justice are closely linked. In order to live safe lives and have reproductive agency, the environment we live in must be able to support this.#MacroSW

#MacroSW Moderator @OfficialMacroSW
Q3 is live! ——>

Julia Düring @juliaduring
@Sarahhgrace @UBSSW This is so important. For a equal society the rights of any gender identity must be equal. #macroSW #CO_jackson

Marissa L Biondolillo @biondolillo_l
A3) Those who are pregnant, babies, and young children are some of our most vulnerable populations when it comes to sensitivity to toxins in our air, water, food, communities, and homes. Lead poisoning is a prime example of how these topics are inextricably linked. #MacroSW
