Looks like time got the best of me and missed today's #MacroSW chat. I will review the Tweets for a recap!
If you work with immigrants and Latinxs, there is an upcoming conference focused on social work with immigrants and Latinxs organized by Latino Social Workers Organization - Chicago, 9/25 to 9/27. Learn more and register @ https://t.co/zKguOAvojz #MacroSW

A2: It is important for SWs to support immigrants b/c it's a human rights issue. They clearly came to the US for a good enough reason to risk deportation. As long as a person is willing to work to contribute to US, they should be able to stay here, despite legal status. #MacroSW

There has been a lot of immigrants moving into the US lately. Some may need advocacy, assistance finding housing or jobs, translators or more. SWs can connect immigrants with those appropriate services to make their transition to the US easier. #MacroSW @karenzgoda
